

REC'D 23 JUNE 2012

Dear USNA Class of 1964,

I would like to take this opportunity to thank you for giving me the chance to attend the United States Naval Academy. Through your scholarship assistance, you have allowed me to receive a first rate preparatory education in order to fulfill my dream of attending the Academy. The Kiski School was the perfect place for me to prepare for the Naval Academy. I was put in a place where I knew no one and came out a more confident individual driven for this next stage in my life. I first became interested in the Naval Academy after attending my cousins graduation. I'm hoping to follow his steps as a Naval Aviator. This summer I have been working on getting my private pilots license. I should have it accomplished before I take off for plebe summer. I'm planning on joining the flying club at the Naval Academy and working on further ratings as a pilot. Once again, thank you very much for your support; it really means a lot knowing that there is someone besides your family supporting you. It's a dream come true to be attending the Naval Academy.

Best Regards,

Andrew M. Pick
