From:

Marc D. Boran
Commanding Officer
USS CARNEY (DDG 64)

Class of '94 - 30,

I take the pleasure of being able to announce the 2012 Lanny King Leadership Award Winner - LTjg Daniel Stayton. Daniel is our Navigator and was overwhelmingly chosen by his peers and the Chief's Mess as the Officer who best embodies the characteristics of "... leadership, integrity and compassion" outlined in the Lanny King Award. Daniel is an outstanding young Officer who has already committed to making the Navy his Career and will be a superstar one day.

We will start working the appropriate Awards Ceremony in order to maximize participation. Thank you again for all your support for CARNEY and ensuring the proper recognition of this award continues.

Very respectfully,
Marc
